

Weatherman helps Rotary Club stage winter carnival

Give the Rotary Club of Haliburton good weather for a weekend and they will show you a great winter carnival. This past weekend the weather was lovely, but possibly just a little too nice and too warm.

The weather conditions for the Haliburton Winter Carnival played a big part in some of its successes, but it played havoc with other events.

On Friday night it was foggy for the Torchlight parade. On Saturday conditions were ideal for the parade, but on Sunday the rain and very mild weather forced postponement of many events and the novelty races which are usually held on Head Lake had to be moved to the track at the Haliburton Highlands Secondary School.

Despite the weather conditions the Rotary Club of Haliburton with its carnival chairman Bill Emmerman, and co-chairman Glen Blair did a marvelous job in giving the local people and visitors a great weekend.

People came from near and far to participate in a fun-filled weekend.

Susan Walling, daughter of Mr and Mrs Don Walling of Haliburton, a student at the Haliburton Highlands Secondary School was chosen as Queen of this year's Carnival at a Teen Dance held at the High School on Friday night. Her three princesses were Sylvia McCracken, Lori Northey and Lila Thurston.

The Queen and her princesses left the High School on Friday night and proceeded to the Arena where they were presented to the large crowd on hand for the official opening by the Honourable Claude Bennett, minister of Industry and Tourism. The crowd in attendance at the arena was treated to an exciting broomball game between Radio station CKLY in Lindsay and the Haliburton Fire Department. The evening concluded with dancing and refreshments in the arena auditorium.

The Carnival feast and ball held on Saturday at the Legion Hall was a great success as usual. The supper tickets were all sold and it was standing room only at the dance which followed when over 500 people turned out to trip the light fantastic. So many people showed up for the dance, that shortly after 10:00 p.m. a sold out sign went up and over 40 people had to be turned away.

The Haliburton Highlands Guild of Fine Arts deserve a great deal of credit for their effort of making the carnival a success. Their display attracted a great many local people as well as visitors to the Lakeview Centre.

The parade on Saturday afternoon viewed by the largest crowd to ever witness a winter Carnival parade in Haliburton left a lot to be desired. The parade was very short and we have to agree with many people on hand that it was the first parade they had ever seen

that didn't have a band in it. The parade winners were as follows. Best Overall Float - Victoria Street School, Most Original Entry - Halimar Lodge, Most Humorous Entry, Tee Pee Construction.

The fireworks display on Saturday night was very popular as usual, with hundreds gathering to see the display. And what about the Campers' breakfast at the Legion Hall on Saturday morning. Nearly 200 people turned out for breakfast. The turnout at both the luncheons on Saturday and Sunday at the Anglican and United Churches were the largest in the seven-year history of the winter carnival.

On Sunday afternoon a large crowd turned out at the track at the High School for the novelty Snowmobile Races. The following are the winners:

1st race - Open Race - 1st prize, Paul Weatherill, R.R. 1, Unionville. 2nd prize, Cleve Shaw, R.R. 2, Haliburton.

2nd race - Ball and shovel - 1st prize, Rick Hickson, Lakefield, Ont. 2nd prize, Murray Wild, Georgetown, Ont.

3rd race - Junior Boys (12-15 yrs.) 1st prize, Dean Potter, Haliburton. 2nd prize, Andy Pristol, R.R. 2, Haliburton.

4th race - Ball and shovel - 1st prize, Peter McElwain, R.R. 2, Haliburton. 2nd prize, Peter Leighton, Haliburton, Ont.

5th race - Ladies Powder Puff 1st prize, Jennifer Hickson, Lakefield, Ont. 2nd prize, Charlene McElwain, R.R. 2, Haliburton.

6th race - Mens Race - 1st prize, Peter Leighton, Haliburton, Ont. 2nd prize, Peter McElwain, R.R. 2, Haliburton.

7th race - Ball and shovel (1st and 2nd finalists from races 2 and 4), Rick Hickson.

8th race - Slowest race in the world - Grant Rae, Haliburton, Ontario.

9th race - Men's Open Race - 1st prize, Paul Weatherill, R.R. 1, Unionville. 2nd prize, Peter Leighton, Haliburton, Ont.

The fans who took in the hockey game at the arena on Saturday night saw one of the best games of the season as the Haliburton Huskies nosed out Lakefield by the score of 9-8 in a real thriller. The Lakefield team were ahead by the score of 8-5 at the end of the second period but the Huskies came back with four unanswered goals in the final period. It was Lakefield's first defeat of the season.

The Rotary Club is more than pleased with the co-operation of the Carling O'Keefe Breweries which supplied the sound truck for the various events of the carnival. We would also like to thank Rob Blake, the Community Service Representative of Carling O'Keefe, who was so very co-operative at taking the sound truck wherever it was needed. He really went out of his way to assist in the success of the carnival.

First prize in the parade held Saturday afternoon in conjunction with the Haliburton winter carnival went to the children of the Victoria Street School in Haliburton. They are shown lined up in the fairgrounds in front of their best overall float "Candy Land" which netted them \$50.00 and a trophy. Photo by Dal Hubbert.

John Rouble receives the Star of Courage

John Rouble, Principal of the Haliburton Highlands Secondary School in Haliburton was at Government House in Ottawa on Friday, February 14 to receive the Star of Courage for his heroic effort on February 8, 1973 when Mr Rouble rescued two people, Francis Leslie Donaldson and Shirley McKinnon, both of Haliburton, after they had crashed through the ice into icy waters of a lake while snowmobiling.

Mr Rouble on the left with his wife Carol is shown shaking hands with The Governor General the Right Honourable Jules Leger, C.C. C.M.N., C.D., following the presentation. Mrs Leger is shown standing with her husband. Mr Rouble was awarded a silver medal at the age of 16, while a Boy Scout, for rescuing a drowning child from the Welland River. News Letter

The weather report. Haliburton County has had one of its better winters with very little cold weather but on the other hand we have had our share of snow. A week ago Wednesday we had a good snow fall and we would advise our out of town friends who own cottages in the Haliburton Highlands that if they haven't already shovelled the snow and ice off their cottage roofs that they should start doing so right away. We have had a fair amount of rain and it has made the snow heavy in places.

The outdoor movie "Grizzly Adams" that played at both the Molou Theatre in Haliburton and at the Beaver Theatre in Minden recently played to full houses. It was a great movie that was enjoyed by young and old alike.

This is heart month in Haliburton County and we hope that you will give when the canvasser calls at your door.

We may remind all those who have handed in Pictures for Our Pic Of The Past in the Haliburton County Echo that we will be putting your photos in some time in the future. At the present time we have a backlog of these photos, but your turn will soon be coming up.

The liquid car wax used in some automatic car washes will smear the windshield and can become a serious hazard when mixed with rain or road grime, according to recent research in the U.S. The Ontario Safety League urges motorists to make sure the wax is cleaned from both the windshield and the wipers immediately following the wax application.

Eric Percival was the guest speaker at a recent meeting of the Rotary Club of Haliburton and presented a very interesting film on the work being done by the Browndale organization.

Speaking of the Rotary Club of Haliburton they were second in attendance for the month of January in District 701. Their percentage was 92 percent.

The four-day, 10-hour shift week for constables is going into effect at the Lindsay Police Department on an experimental basis starting March 1 and continuing through December 31 of this year.

A quarter-inch opening along the bottom of an outside door results in a heat loss equivalent to that from a nine-square-inch hole in the wall. Weatherstripping helps to conserve energy and saves you money.

We are glad to report that Gary Agnew reeve of the Township of Monmouth has returned home following a lengthy illness that kept him in a Toronto Hospital. We wish him a speedy recovery.

Winter is still with us and at times driving conditions aren't always good so drive carefully.

Dick Schell local law enforcement officer for the Municipality of Anson, Hindon and Minden has been busy lately trying to enforce two-hour parking on the main street in Minden. It seems that it's the same old story of local merchants taking their cars to work and parking them in front of their place of business for most of the day. Minden may soon be like Haliburton and be forced to install parking meters.

Along the Trails

By Roy Bates

A few people seem to think that the new snowmobile legislation was brought about solely through the efforts of the Haliburton County Snowmobile Association. This is not true. We did present a brief - one of several hundred - and by a remarkable co-incidence some of our suggestions are reflected in the new laws. But so are the suggestions from many other snowmobile organizations.

We did not propose a road ban, but rather a phasing off of road use by the development of new and better trails. The idea of a road ban stemmed from the horror stories created by snowmobilers who persisted in throwing caution to the winds. And, let's face it, some degree of control was indicated.

As I interpret the new legislation, the prohibition of road use by snowmobilers extends only to Provincial highways and such other roads as Municipalities may designate by by-law. I would hope that each Municipality will make a careful assessment of the situation within its boundaries before passing such by-laws.

The speed limits, now imposed on roads and public trails, if heeded should reduce the risk of accident. I suspect that a few speeding tickets will be issued before the message comes across.

It seems this is not a winter for riding the lakes. What with the mild weather in December and January lakes were very slow to freeze. Then came the slush. February's cold seemed to be tightening that up nicely until it turned mild again. Very treacherous slush patches have developed on most lakes. Watch out for them, or keep off.

I am told that one of the HCSA work crews has been busy for several days on the Peterson Trail. They are working from West to East and have completed beyond the Eagle Lake Highway (519). The trail will link up with trails developed by the Harcourt crew near Fourcorner Lake.

Another crew, working out of Minden, have provided some excellent riding to the North and Northwest of that centre. By now they may have pushed through as far as the Vancoughnet Road. The Haliburton-gang, working South from Donald, have very nearly completed the new trail to Gelert.

The Haliburton Winter Carnival started off with a Bang! as Tim Casey of Shamrock Drillers let loose with some dynamite in Walling's field to signal the start of a colorful torch light parade. Some twenty-five to thirty snowmobilers, each carrying a flaming torch, proceeded from the football field across the lake to Walling's and back through the village to the arena. It was quite spectacular and will likely become an annual carnival event.

Bancroft edges Haliburton in volleyball tournament

On Tuesday, February 11, Haliburton Highlands Senior Elementary School hosted a volleyball tournament. Teams battling for the trophies included Minden, Cardiff, Dorset and Bancroft, as well as the host school. The tournament was a double knock-out elimination type, and after two hours of hard fought competition, the field was narrowed down to

Bancroft and Haliburton as the finalists in both the boys' and girls' divisions. The boys' championship game displayed some extremely high calibre play which saw the lead change many times before Bancroft finally emerged on the long side of a 15-13 game. The girls' final game was fought equally hard and this also ended in victory for Bancroft.

Congratulations must go to the winning Bancroft teams and, indeed, to all the players of all teams who put forth their best effort on the day.

A special tribute must go to the players from Dorset and Cardiff who, due to lack of facilities, were not able to practise adequately for the tournament. Although they knew they had little chance of winning against their bigger rivals, both teams played exceedingly well and are to be heartily congratulated for their efforts.

Sincere thanks go to the referees who handled the officiating in a most competent manner.

It is hoped that this tournament will become an annual event.

24 rinks compete in Haliburton bonspiel

The Haliburton Curling Club was a hive of activity over the weekend, when 24 rinks from all over Ontario and several good Haliburton rinks fought it out for the Hiram Walker Trophy, and the Silver Tray and Jug donated by Hiram Walker.

This is one of the Curling Highlights at the Club, and this year saw excellent curling on each of the three draws - great fellowship and again our local Club excelled in hospitality to our visiting curlers. Many compliments were received by Phyl. Woodcock the Chairman and Bob Colliver the draw-master - and many said the ice was the best they had played on this winter.

Norm Cruickshanks rink from Boulevard Club in Toronto took away the top silverware with a total of 56½ points - Roger Howard from Bayview Club was second with 53½ and our own Bob Houston was the next three game winner with 51. Bob had his wife

Marg vicing and Jack and Willie Cox front-ending.

Prize-winners in the two Game winners bracket went to Murray Kuno's foursome, only ¼ point over John Harris's rink skipped by Ray Scott and Ken McLeod's rink only one point back. The high point prize-winners in the one Game winners were Clark Bailey's family rink, Ken Wilson's four and Dunc. McTavish from Uxbridge.

The next major event at the local Club comes up Friday, February 28 and Saturday March 1, when our Club hosts the O.C.A. District play-downs. This is a double knock-out event - each team having to lose two games to be eliminated. Teams are coming from Fenelon Falls, Lakefield, Minden, Lindsay, Peterborough and Haliburton. The winner of this District continues on in the Ontario Championship. Our Haliburton rink will be defending the title they won last winter in Lindsay.

Glen Dart Tournament scheduled for March 8

The 23rd Annual Glen Dart Memorial Hockey Tournament is scheduled for the Haliburton Arena for Saturday, March 8 with hockey action throughout the entire day.

The day will feature several games of hockey with teams competing in the Haliburton County House League finals. Teams will compete in the Novice, Atoms, Pee Wee, Bantam and Midget Finals.

The action will start at 9 a.m. and teams will be competing from Minden, Wilberforce and Haliburton. The games will run from

9:00 a.m. to 6:00 p.m. Each of the above teams will be going all out to win one of the several trophies which will be handed out to the winning teams.

Why not plan now to take your entire family out on Saturday, March 8 for a real thrill packed day of hockey at the Haliburton Arena. You won't be disappointed as these young players will be the future stars of tomorrow.

Admission Adults \$1.00 and children 50 cents. Parents and friends come on out and support your team.

Vandals hit Huskies bus

One would wonder what our society is coming to. On Tuesday, February 18 the Haliburton Travelways Huskies were in Newcastle to meet the Newcastle team in a regular scheduled Central Ontario Junior D O.H.A. hockey game.

While the game was in progress some person or persons got into the Huskies bus and slashed the drivers seat to ribbons. The damage was so extensive that a new seat must now be installed. An axe was also stolen from

the bus and some loose wires were ripped out underneath the dash.

The bus was parked less than 200 feet from the front entrance to the arena when the vandalism occurred.

The O.P.P. from Newcastle was advised of the incident but after waiting over two hours the police failed to show up.

By the way there was one happy aspect about the trip the Huskies won the hockey game 15-8.

HALIBURTON SPORTS

Haliburton eliminates Bobcaygeon

Haliburton eliminated the Bobcaygeon Midgets Thursday with a 4-3 overtime win in Bobcaygeon. A strong team effort highlighted by the steady goaltending of Dale LaPorte enabled the Huskies to capture the group playdowns by virtue of a four wins, one loss, one tie record in the best of seven series. The play was

far from one sided throughout the series, as three of the six games went into overtime.

The Huskies now go on to meet the winners of the South-Eastern Ontario group, which is as yet undecided. With strong team efforts such as were evidenced in the Bobcaygeon series, the Huskies are

confident they have a good chance to go on to the finals for the All Ontario Midget D playoffs.

The Midget Huskies would like to extend their appreciation to the fans who have supported them all season, and hope to see continued crowd support at all their remaining games.

Huskies down league leading Lakefield 9-8

On Saturday night the Travelways Huskies played their best game of the year as they defeated the league leading Lakefield Chiefs by a 9-8 score.

The Huskies took a two-goal lead early in the first period on goals by Tim Curry only to see Lakefield come back and score three unanswered goals. At the end of the second period the Huskies were trailing by 8-5. Tom Curry scored two for the Huskies with Jammie Carroll adding a single. Carroll's goal came with the Huskies playing two men short.

The third period saw the Huskies outskating the Lakefield team and controlling play for most of the period. Tim Curry scored four goals (six for the game) to give the Huskies their first win over Lakefield. The last goal was scored in the last second of play in the game.

A crowd of over 400 fans was on hand and was a definite factor in the Huskies winning effort.

On Sunday night the Huskies travelled to Little Britain and at the end of the second period found them-

selves trailing by a 7-1 score.

Floyd Henry scored the lone Haliburton goal in the first minute of the game.

The Huskies came out skating in the third period

led by Tim Curry and scored six unanswered goals in eight minutes to tie the score. Tim Curry and Ernie Bain each scored twice with singles going to Roger Bain

and Bev Hicks.

This weekend will see the start of the play-offs with Haliburton probably playing Newcastle in the opening round.

Government concentrates on developing trails

Recent legislation by the Ontario government is putting a greater concentration of effort into the development of snowmobile trails. Grants are being made to snowmobile clubs for this purpose and trails already provided by government agencies are being extended and groomed.

Any snowmobiler who wants to try a new area for weekend adventure or a week-long trip may take advantage of the trails now in existence. In length, they range from short ones of 10 miles, to long trails of over 200 miles. Most of the trails have excellent accommodation within easy reach and all of them produce beautiful scenic delight.

Even if you are an experienced snowmobiler, you will find many helpful operating hints and useful tips in a pamphlet produced by the Ontario Safety League entitled "Winter Fun - Snowmobiling for the whole family."

Write to the Ontario Safety League, Outdoor Recreation Department, 409 King Street West, Toronto, Ontario, M5V 1K1 for your copy of Winter Fun and for information on where to snowmobile in Ontario.

Crowds are needed to cheer Huskies on

Discussions are still continuing on the subject of poor attendance at the home games of the Haliburton Travelways Huskies. The admission prices to the home games were reduced but it hasn't made that much difference as far as crowd turnouts are concerned.

One has to wonder if the price of admission to the games is the whole story. Some of the local fans claim that the local Huskies are not playing an entertaining brand of hockey and that they have lost some interest.

Rumors have it that some of the local players are not giving it a 100 percent effort and there has been some talk that some of the players are fighting among themselves. This doesn't add up to a very healthy situation and its starting to show in their play in their league games, in other words it has been a bad season for the club all the way around.

The local junior team has played well enough with all their problems to be in the playoffs and we sincerely hope that the fans will now turn out in large numbers to cheer them on to better things in the future.

Hardwork makes carnival a success

The Haliburton Winter Carnival is over for another year and the excitement of it all has come to an end. We feel at this time that it is only fitting to throw out a few bouquets to all those who worked so hard to make this special event a success.

Right off the top a word of praise to Bill Emmerson that hard-working carnival chairman who worked day and night week after week to see that everyone was doing their job and who also drove hundreds of miles making preparations for the Carnival. The entire community owes him a vote of thanks. The co-chairman Glen Blair also deserves a hand for the hard work that he put into the event. Let us also not forget all the members of the Rotary Club who gave of their time working at the various attractions throughout the entire weekend.

Thanks also go out to everyone in the

community who stepped forward to give the local Rotarians a hand when they needed, it has certainly been appreciated.

Last, but not least, a big round of applause for everyone in Haliburton and the County who turned out to support the winter event, without you there would have been no Carnival. For those who drove miles from all parts of Ontario to be with us, we say thanks and we really hope that you enjoyed the Highlands hospitality.

No one is perfect and the committee realize that some changes must be made for next year and the Rotary Club in an attempt to give you the finest in winter fun and activities will be working hard all year trying to come up with some new events that should please everyone.

Toquepic sincerely hopes that you will all return for the 1976 Haliburton Winter Carnival.

Report from Parliament By William Scott, MP

In place of my regular weekly column, in which I ordinarily deal with political matters, I would like this week to pay tribute to a citizen of our riding who was recently invested by Governor General Jules Leger for courage.

Last Friday it was my pleasure to be asked to go to Government House to witness the award of the Star of Courage to Mr John Francis Rouble, Principal of Haliburton Highlands Secondary School, in Haliburton.

On February 8, 1973, Mr Rouble rescued two people, Francis Leslie Donaldson and Shirley McKinnon, both of Haliburton, after they had crashed through the ice into the icy waters of a lake while snowmobiling.

The Star of Courage is one of three awards established in 1972 to recognize bravery on the part of Canadians where the risk of life is involved. Only 31 of these awards have been invested to date.

The young trail riders think snow machines are a modern invention. Not true! The snow mobile pictured above was used fifty years ago. The above model was used by Drs. Hall and Hall to travel the unploughed sideroads

and up country lanes to visit their patients. Our thanks go out to Laura E. Kirkwood of Minden for giving us permission to use this photo.

Letters to the Editor

Dear Sir:

This letter is not to argue the need (or lack of it) for the erection of a new Municipal Building, rather I am concerned with the demolition of the one in use at the present time. This building is part of the history - not only of the Village of Haliburton - but the Municipality of Dysart et al. Many of us have pleasant memories of the happy and carefree hours spent in entertainment there.

Mr Editor, you state the fact that we no longer drive Model T cars or allow cows to roam our main street and this justifies the need for a new Municipal Building and the tearing down of the present one. Well, I live on a farm of some 200 acres, does the fact that I do not drive a Model T car or have farm animals roaming the fields suggest that I should tear down my house and build a new one? The house I live in was built in 1864, (the present Municipal Hall around the turn of the

century) by my Greatgrandparents, Mr and Mrs Thomas Gould. Does the fact that they and their 13 children no longer roam its halls also suggest that I should tear down this house and build a new one? No Sir!

I am immensely proud of the part my parents, grandparents and greatgrandparents have played in the building of this community and I am keenly interested in the preservation of the history of the area - the past so quickly slips away!

Let us progress and build the new if necessary, but let us also endeavour to preserve the old.

Jean Casey
Gould's Crossing
RR 2, Haliburton, Ontario

Dear Sir:

As one who loved Haliburton County since a child, I have been pleased and delighted with

the series of historic pictures of the places and of the ancestors of the people of the County whom I love and respect.

May I offer a suggestion. I wrote to the Ontario Archives in Toronto, a government agency, to tell them of your series of pictures. They will copy them for posterity and return one original to the owner. These priceless pictures should not be lost. If the Ontario Archives have not contacted you a post card would get the Echo in touch with them.

How about an Echo Historic Calendar with proceeds going to the Historic Society using these old pictures. Put me down for the first one.

Keep up your good work.

Yours truly
Joseph Curtin

Bobcaygeon man enters Liberal nomination race

Doug Fisher, C.A., of Rokeby Lumber, Bobcaygeon, is seeking the Liberal nomination for the next Provincial election. He is married, with two children and pursues a wide variety of activities in addition to his business interests in Bobcaygeon and Lindsay.

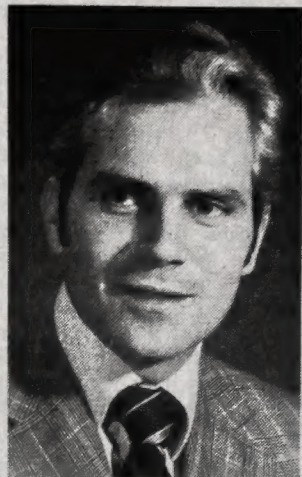

Mr Fisher feels that his business and financial background will enable him as an active Provincial member, to promote sensible growth in our communities.

Mr Fisher pointed out that in spite of the fact that Victoria-Haliburton was classified as a tourist region, government assistance programmes in tourism are not nearly as extensive as those available to manufacturing industries. He cited examples of large American manufacturing concerns receiving forgivable loans while our tourist industries were not given the same opportunities.

Mr Fisher went on to say "If this riding is going to grow enough to provide jobs for our children, we will need an active member to assist the various municipalities in planning and promoting the development of our communities. Mr Davis's Government has

consistently ignored the wishes of the municipalities in the Province, listening only to his Government's "special advisors".

The Provincial Liberal nomination meeting for Victoria Haliburton, will be held at the Academy Theatre, Lindsay, on Friday March 7 at 8:00 p.m. To vote, a person must be a "paid up" member of the Victoria Haliburton Association by Monday March 3, 1975. Interested persons should contact Mr Fisher at his home in Dunsford (Tel. 793-2185) for more information.

Doug Fisher

Joe Iles edges Art Ward in Battle of the Bulge

On January 2 two members of the Rotary Club of Haliburton, namely Joe Iles of Curry Motors Limited and Art Ward of Wig-A-Mog Inn, decided to go on a diet in the hopes of taking off a few pounds.

To prove how serious they were about the matter they each put up \$100.00 to see who could lose the most weight by the time the Haliburton Winter Carnival rolled around.

Carnival time finally

arrived last weekend and both men were on hand at the Rotary club meeting and Dr Good was also there with his scales to get the results.

Two months ago Joe weighed in at 239½ lbs., and Art tipped the scales at 253 lbs.

The final results are as follows. Joe lost 26¼ lbs. to win slightly over Art who lost 24½ lbs. The final weigh in had Art at 228½ lbs. and Joe 213½ lbs.

Pictured above is Mrs Edith LaRue who celebrated her 90th birthday February 17. With her are her daughters Winnie Burnum of Cobourg, May Cameron of Peterborough and her son Albert LaRue of Haliburton. Eighty or more friends and relatives helped to celebrate her birthday.

Eakins seeks nomination

A former mayor of Lindsay has indicated he will definitely be seeking nomination on a Liberal ticket to contest the next provincial election in Victoria-Haliburton riding.

John F. Eakins today confirmed his intention of seeking the Liberal nomination at the riding association's nomination meeting in the Academy Theatre March 7. "I am definitely in the running and greatly pleased with indications of support I am receiving to date," Mr Eakins said.

The former mayor and 1971 contestant of the riding at the provincial level, recalls that he came within 2,000 votes of carrying the riding for the Liberals on that occasion. He says he thinks it was the issues of the time which turned the

tide against him. However, he feels the chances of winning the riding in this election are excellent owing to the problems the Davis administration is confronted with and growing confidence in the Liberal camp.

Mr Eakins also said he has had people who have traditionally voted otherwise call to indicate their support should he get the nomination. "Anyone wishing to attend as a delegate is welcome to call me and I would appreciate their support," he declared.

The candidate for nomination was mayor of Lindsay from 1966 through 1971. He was succeeded by incumbent Mayor David Logan who has also been named as likely to seek nomination to contest the riding on a Liberal ticket.

Haliburton sports from page three

Haliburton, Beaverton tied in playoffs

The Haliburton Pee Wees and Beaverton are now tied at one game apiece in their best three out of five O.M.H.A. playoff round.

Last Thursday night in the first game played at Haliburton the locals were one goal too much for the visiting Beaverton boys and

came out with a 5-4 victory.

Led by Mark Prior with three goals and single counters by Roger Hicks and Andrew Hodgson the Haliburton team wrapped up the first game of the series before a large crowd at the Haliburton Arena. Tim Davies picked up three

assists in this game and Roger Hicks and Leonard Hodgson also picked up assists.

On Sunday night in Beaverton in a very close contest the game was tied at two goals apiece at the end of regulation time. During

the ten minute overtime period Beaverton scored and tied up the series. Roger Hicks and Tim Davies were the Haliburton goal getters in this game.

The fourth game in this series will be played in Beaverton this Friday night.

Wilberforce hockey action

Our hockey games this week were as follows:

February 18 - Midgits against Haliburton in Wilberforce with a score of 2-2.

February 19 - Midgits against Haliburton in Haliburton with a score of 5-4 for Wilberforce.

The Midget three stars this week were: Robert Tallman, Rick Riel and Eric Barnes.

No Bantam games this week. They have finished their schedule of games. Our Bantams have finished in first place.

February 21 - Pee Wees against Haliburton in Wilberforce with a score of 9-2 for Wilberforce.

The Pee Wee Stars this week are: Michael Hunter, Andy Mitchell and Doug Tallman.

Sorry to report that one of our good Pee Wee players Perry Townsend is in hospital. We all send our best wishes, Perry, and hope you have a speedy recovery.

The following Pee Wee players were picked from our team to play in a County All Star Team in the Alcipe Carpentier Tournament at the Haliburton Winter Carnival: Butch Manary, Doug Tallman, Steve Elliott, Lyle Donaldson, and Derrick French.

Two of these boys were picked as stars from this team and were presented with a trophy.

Congratulations go to: Doug Tallman and Butch Manary.

February 22 - Atoms against Minden in Wilberforce with a score of 8-2 for Wilberforce.

The Atom Star Selection this week goes to every player on the team as they all played an excellent game.

No game for the Novice team this week.

March 3 and 4 has been set to take team pictures, so please all be present.

Minden OPP report

Seven collisions reported

During the period February 17 to February 24 the Ontario Provincial Police Detachment, Minden received reports of 67 General Occurrences and seven Motor Vehicle Collisions.

There were two Liquor Control Act charges laid, one Break and Enter reported, and three charges of impaired driving.

There were no Motorized Snow Vehicle charges laid for the week.

Damage was estimated at \$800.00 to a vehicle driven by Dale Boyd MacDonald of R.R. 2, Minden which was southbound on Highway 35, just south of Buttermilk Falls on Tuesday, February 18 at 10:20 a.m. The driver lost control when trying to allow a second vehicle more room, and struck some guide posts. OPP Constable W.G. Popp of the Minden Detachment investigated the accident.

Robert J. MacNaull, age 34 of Eastern Avenue in Haliburton has been charged with failing to share half of the roadway as a result of an accident at the Junction of Oak and Mountain Streets in Haliburton at 12:05 p.m. on Friday, February 21, 1975. A vehicle driven by Roy A. Nicholls age 51 of Pine Street, Haliburton was southbound and the MacNa-

Tender awarded

The Ministry of Transportation and Communications has announced that tenders are to be called next week for the contract noted below: Contract No. 74-184 Paving on Highway 35 From 0.2 Miles North of North Junction Highway 121 North-herly 6.9 Miles Huntsville District M.T.C. W.P. No. 429065-00.

ull vehicle was turning right. The two vehicles collided causing a total estimated damage of \$650.00. OPP Constable J.E.B. Ladurant-aye investigated.

Peter J. Douglas, 19, of Haliburton, Ontario has been charged with failing to yield from a private driveway in an accident that occurred on Saturday, February 22 at 7:15 p.m. A vehicle driven by John M. Schell, 48, of Haliburton was eastbound and the Douglas vehicle was turning left from a private drive in front of the Schell vehicle. Damage was estimated at \$100.00 to the Schell vehicle and \$200.00 to the Douglas vehicle. Constable W.F. Devereaux of the Minden Detachment of the Ontario Provincial Police investigated the accident.

Pleads guilty in break-in

Charges of break, enter and theft from a laundromat in Minden and failure to appear in court when supposed to, brought pleas of guilty from Donna Shelly Miscio, of Toronto.

She was remanded for pre-sentence report and ordered released on her own promise to appear.

Defense counsel David R. Gemmill pointed out that the 18-year-old girl had no record and was going with one of the young men who was also charged in the same incident but had since severed the connection.

Judge Inrig noted that her companions had each got 90 days for their part in the break-in.

The Reeve's Corner

By Reg Booth

On Friday, February 21 Haliburton County was favored by a visit from the Honorable Claude Bennet, Minister of Industry and Tourism.

Credit is due to the officers of the Chamber of Commerce for the effort shown in arranging this visit, and to those who prepared briefs to present for the Minister's consideration.

Mr Bennett told his audience that employees should be looking at themselves and asking if they were giving an effort to the job equal to the wages that they are demanding. He said that our country in general is not giving dollar value for its labour. The end result is that we have priced our products OUT OF THE MARKET in world trade. In other words, the other countries are giving a better work effort in order to produce goods more cheaply than us. He said that unless something drastic is done SOON, our country will be in very poor condition, and employment will get worse.

Today many people refuse to listen to the warnings given, and cry, "peace, peace, when there is no peace." Mr Bennett's statements reflect the thinking of many who have realized for some time the rapid deterioration of our work force, and of our very society itself.

We should all ask, "what can I do personally to help"

40 fathers attend

Haliburton Cubs and Scouts hold Father and Son Banquet

On February 17, the annual Haliburton Cub and Scout, Father and Son Banquet was held at the local Legion. Approximately 40 fathers and 50 Cubs and Scouts attended.

The program opened with the Haliburton Legion Pipe Band marching in the head table guests, and playing "Amazing Grace". Master of Ceremonies for the evening was Les Roberts, past president of the Legion. He welcomed those present on behalf of the Legion.

Head table guests included Glen Hodgson, M.P.P., Murray Fearey, Reeve, Les Roberts, M.C., Walter Webb, Wim McGee, Howard Roberts, George Ciszek, Ed Whiteway, and Dennis Baker.

Following dinner Les Roberts had each of the fathers stand and introduce himself and his son or sons. Murray Fearey then spoke briefly commenting on the importance of Cubing and Scouting in Haliburton since these boys will soon be the leaders of the community. Glenn Hodgson, M.P.P., gave greetings on behalf of the government of Ontario. He congratulated these boys and their leaders for the fine job they are doing and also expressed thanks to the Legion for the work they do in the community such as sponsoring the Cubs and Scouts.

The Scout Group Committee was then introduced: Les Roberts, chairman, Howard Roberts, Secret-

ary-Treasurer, and Dennis Baker, Public relations.

Following this the Cub and Scout leaders were introduced. They included Len Salvatori, C.M. of pack A, Terry Barnum, C.M. of pack B, Bill Rinne A.C.M. of pack B, Ed Whiteway, S.M., David Kennedy A.S.M. and Junior Scout leader Larry Sicard. Absent but much appreciated was Merve Elstone A.C.M. of pack A and another Junior scout leader Willie Tyler. The community owes much thanks to these men for the time and effort.

Awards were then made to the Cubs and Scouts by the leaders and Walter Webb. For the past year the "best Six" award went to the "Grey Owl" six of Andrew Hodgson, Steven Dawson, Jeff Whitefield, Jamie Bennet and Darcy Poole from Pack A and to the "Red Fang" six of Boyd Brooks, Ricky Barnum, David Bishop, Doug Wells and Jamie Bain from Pack B. Best all round Cub awards went to Mike Rae of pack A and Boyd Brooks of pack B. Best dressed Cubs for the year went to Steven Dawson from pack A and Fanie Bain from pack B. The awards for the best decorated basket for Apple Day went to Jamie Bennet, Scooter Burges and Jeff Bain from pack A and to David Bishop, Steven Smith and Ricky Barnum from pack B. The best sales effort award went to Randy Grant.

The best Patrol award for the Scouts went to the patrol consisting of Christ Hodgson, Andrew Hodgson, Peter Scheffee, Mike Rae, Mike Varty, Dwain Lewis and Stewart Hogg. The best all round Scout for the past year went to Dwain Lewis.

The scout with the best attendance went to Tim Elstone and the award for the best decorated basket went to Robert Smith.

A special Award was then presented to Walter Webb by Len Salvatori. Walter, who retired this year from the Scouting movement, received a standing ovation from the boys and fathers. Walter has been associated with the Cubs and Scouts for 16 years acting as leader, assistant leader or as a member of the group committee. Walter was one of the original organizers of Cubs and Scouts in Haliburton back in 1952. Each year he was one of the chief organizers of the annual Apple Day. For the past few years had led the way in planning, and constructing the ice sculpture near the arena. He has been a faithful worker and leader over the years. Much scouting knowledge combined with his personal qualities of loyalty, truthfulness, dedication, fairness and mild temperedness have resulted in his having a tremendous influence on the boys he has encountered over the years.

A toast to the Fathers was then given by Chris Hodgson. Responding for the fathers was Grant Rae. Bill Rinne then thanked the ladies for the delicious meal they always seem to prepare.

The remaining portion of the program was turned over to Wim McGee. He gave a short talk on the importance of Scouting and the qualities it endeavours to teach the boys. To conclude the evening he presented a film on the different aspects of a policeman's job.

Haliburton Winter Carnival Ice Sculpture contest winners

The following are the winners of the Ice Sculpture contest held at the Haliburton Winter Carnival. The Judging took place Friday afternoon.

1st prize, Farm, Haliburton Highlands Senior Elementary School.

2nd prize, Penguin Fish-

ing, Haliburton Highlands Senior Elementary School.

3rd prize, Dinosaur, Haliburton Highlands Secondary School.

4th prize, Jack and Jill, Victoria Street School.

5th prize, Tie between Fort and I made a dog.

Victoria Street School.

The judges for the Haliburton Winter Carnival Ice Sculpture contest had quite a time deciding who would win the prizes with so many entries in this years contest. The three judges from left to right are Chuck Oneil, Les Hughes and Marvin

Varty shown looking over one of the entries put up by the students at the Haliburton Highlands Secondary School. The Dinosaur shown took third prize. Photo by Dal Hubbert.

Brief presented

Planning council concerned about rising crime rate

At the January meeting of the Haliburton County Social Planning Council, a brief was presented by one of the members regarding their concern at the rising crime rate, the growing incidence of violence and the fact that present bail and parole laws do not give adequate protection to the law abiding citizen.

The brief engendered a

lengthy discussion by council members with many views being expressed. As it is obviously a subject of great interest to many people it was decided to hold a special meeting, open to the general public, at which time a panel would discuss the problems presented in the brief and answer questions from the audience.

This meeting will be held

on March 12 at 1:30 p.m. in the Canadian Legion Hall, Haliburton. It is expected the following persons will be members of the panel: a Parole Officer, a member of The Judicial System, a member of the Criminal Injuries Compensation Board, a Professor of Anthropology, an Ontario Provincial Police Officer.

No one can help but be

concerned at the rising tide of crime and violence and the members of the H.C.S.P.C. cordially invite the citizens of the county to attend this forth-coming meeting as an expression of that concern and to gain a broader understanding of our countrys laws and the departments which administer them.

Mr and Mrs Charlie Heard of R.R. 1, Haliburton have a pet fox at their home that is causing a great deal of excitement with local people as well as visitors. People come from all around to see the fox who will be one-year old this spring. The fox was wild when the Heards' picked him up and brought it in to be tamed.

During the tour of the G.W. Martin Lumber Limited plant in Harcourt on Saturday The Honourable Claude Bennett, Minister of Industry and Tourism is shown along with Glen Hodgson M.P.P., Victoria-Haliburton and members of Martin Lumber Limited on the catwalk overlooking the sawing operation. Dalley, Bancroft, Ontario.

Bennett on tight schedule during visit

The Honourable Claude Bennett, Minister of Industry and Tourism ran on a very tight schedule when he visited Haliburton and surrounding area over the past weekend. He took in most of the events at the Haliburton Winter Carnival and following the Trappers Breakfast on Saturday morning at the Legion Hall he was picked up by the G.W. Martin

Mr Barry Martin of the G.W. Martin Lumber Co. Limited is shown explaining chip production in the chip mill at Harcourt. From left to right, Barry Martin, Martin Lumber, Hon Claude Bennett, and Glen Hodgson. M.P.P. Photo by W.J. Dalley, Bancroft, Ontario.

Lumber Limited helicopter and taken to Wilberforce where the helicopter set down at 9:30 a.m. While in Wilberforce the Minister was taken for a tour of the Wilberforce Veneer plant, Wilberforce Lumber Company and the new Community Centre presently under construction.

From Wilberforce he flew onto the Martin Lumber site at Harcourt at about 11 a.m. The present operations were described to the Minister in the office, as well as the proposed operation of the new sawmill that is presently under construction.

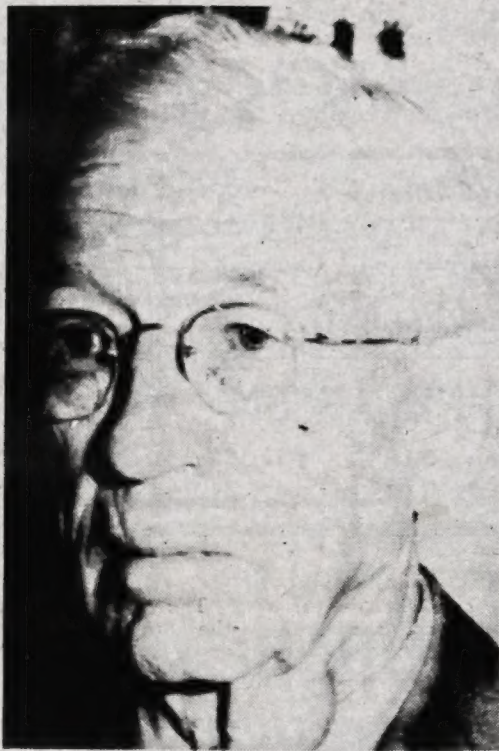

Mr Bennett was then taken on a tour of the chip plant, new sawmill and present sawmill with the key machines started up to show the party what their actual function is.

The complete group was then flown in the Company Beaver to Sir Sam's Inn at Eagle Lake for lunch.

The Minister was then flown on to Haliburton by helicopter in time for the Haliburton Winter Carnival parade.

Obituary: Thomas Welch

Haliburton County lost one of its oldest and most respected citizens on Wednesday, February, 19, 1975 when Thomas Arthur Welch died suddenly at the Red Cross Hospital in Haliburton.

The late Mr Welch who was in his 81st year was the beloved husband of Leitha Harrison and loving father of Marvel (Mrs LeRoy Eager) and Ray of Maple Lake.

The deceased rested at the Funeral Chapel of John Welch and Son Ltd., Minden until Friday, February 21, thence to St. Peter's Anglican Church at Maple Lake where Requiem Mass was held at 1:30 p.m. Temporary Interment at Ingoldsby Cemetery Vault and Spring Interment will be held at St. Peter's Cemetery at Maple Lake.

The late Mr Welch was always interested in Municipal affairs and spent most of his life serving the ratepayers of the Township of Stanhope as councillor, clerk, treasurer and tax collector. He served as clerk for the Township of Stanhope from 1935 to 1971 and was also tax collector and treasurer from 1958 to 1971. He was also on council from 1925 to 1931.

A lifelong member of St. Peter's Anglican Church in Maple Lake Mr Welch served as People's Warden and Rectors Warden for many years and at the time

of his death was an active member of the Haliburton County Social Planning Council.

The late Mr Welch was in the General Store business at Maple Lake for many years. He started peddling groceries in a truck from door to door in the 1930's and when gas rationing came into being it forced him off of the road and in 1942 he built the business known as Thos. Welch General Store at Maple Lake. He operated the store up until 1960 and at this time his son-in-law Mr LeRoy Eager took over the business.

With the death of Mr Thomas A. Welch Haliburton County has lost a great friend and booster.

Carnarvon news

Mr and Mrs Roger Harrison and family spent last weekend with Barbara's parents Mr and Mrs Hal Burton.

Mrs Baker of Saskatchewan, sister of Mildred Archer visited with the Stan Archers.

Mr and Mrs Wallace visited with their daughter and her family in Ottawa last week.

Mr and Mrs Jordan and boys were visitors at Mrs Hussey last week.

Allison Chambers is spending sometime in Ottawa this weekend. Allison is going to live in Ottawa.

Brian Chambers and his wife from London visited with Mr and Mrs Bill Chambers.

We were indeed sorry to hear of the passing of Mr William Jaques in a Toronto Hospital last week. The Jaques have been summer residents on Halls Lake for a number of years and attended Zion United Church when they were here. Rev. Jim Bushell conducted the funeral service in Aurora. Our sincere sympathy is extended to Mrs Jaques and her son Larry.

Mrs Ian Gray of the Hitch-N-Post store has been laid up for some time with back trouble, we hope she will soon be well and able to get around again.

Congratulations to Mr and

Mrs Max McKelvey (nee Mary Sault) who were married in Carnarvon church last Saturday. The Saults are summer residents on Boskung Lake, but Mary has been working in Minden.

The Carnarvon Sunday School held a party last Saturday the older children went to bowl, and the smaller children went tobogganing. They met afterwards in the C.E. Bldg. and had hot chocolate and doughnuts.

Bradley Redner and Bill McKay are looking after the boy scouts this year, and they all had a weekend at the McKay's hunting camp, we have a real good group of boy scouts this year.

The Annual Church parade of the Scouts, Brownies, Rangers and Girl Guides was held on Sunday to Carnarvon church.

Mr and Mrs Jack Gregory have sold their gift shop in Carnarvon and have been staying with Mr and Mrs Ron Fennell and family. They are visiting with their son Fred and family in Ottawa, and expect to go south on their return. We all hope that the Gregory's will enjoy many retirement years.

The Thurlow family have purchased their shop and we welcome them to Carnarvon, and hope they will be happy in their new home.

COUNTY OF VICTORIA

MUNICIPAL GOVERNMENT STUDY

AN INVITATION TO RESIDENTS AND COMMUNITY GROUPS

BACKGROUND:

In late 1974 the Council of the County of Victoria authorized a detailed examination of the organization and responsibilities of municipal government. That study is now underway and is being directed by an independent Commissioner who will, at a later date, prepare recommendations but is not an employee of either the County or the Province.

THE BASIC PURPOSE:

The prime objective of the Study is to examine ways and means whereby municipal government - the local Councils, the County Council and many other related agencies - can render more efficient service to the citizens. That service embraces both day-to-day activities as well as anticipating and effectively responding to longer term needs.

THE INVITATION

In order that the public may gain a better understanding of this important undertaking, possible future changes, and hear your viewpoints, members of the County Planning and Restructuring Committee have volunteered to attend group meetings for purposes of discussion and providing detailed information. The meetings would be informal in nature and, so far as possible, arranged to allow attendance and involvement by representatives of individual municipalities.

DO YOU WISH A MEETING?

If you are a member of a group that would like to hold a meeting - or an individual who wishes to arrange a gathering of interested community residents - related to the Study and invitation described above please contact either:

Clerk-Treasurer's Office,
County of Victoria, Court House,
Lindsay, Ontario.
Tel. No.: 324-9411.

Municipal Government Study,
42 Victoria Avenue North,
Lindsay, Ontario.
Tel. No.: 324-1640

Claude Bennett impressed with beauty

Remarks by the Honourable Claude Bennett, Minister of Industry and Tourism, to Haliburton Highlands Chamber of Commerce, at Wig-A-Mog Inn, Haliburton, Ontario, Friday, February 21, 1975.

However often I have the pleasure of visiting this part of the province -- in winter or summer -- I am always impressed with its grandeur and its scenic beauty. Haliburton Highlands is undoubtedly one of our most beautiful resort areas.

For the visiting fisherman, boatsman and hunting tourist, the hikers and the snowmobilers, each in their season, Haliburton, Minden, Wilberforce must be a little bit of heaven away from the madding crowds.

When I think of our noisy, smoky, sometimes polluted cities and the pressures of traffic congestion in highly populated areas, I feel that somehow the rural dwellers got the better end of the bargain. You have the opportunity to appreciate, in truer measure and understand more fully, the value of life. You also have the time.

It was, therefore, with some genuine pleasure -- but a selfish motive -- that I accepted your invitation to visit Haliburton and to address this most distinguished gathering this evening.

I might say that I am eagerly looking forward to the rest of the program -- particularly my visit to the lumber operations and to attending your winter carnival parade, of which I have heard a great deal -- all good!

Although Haliburton is younger than Muskoka as a vacation resort in terms of establishment, it has contributed substantially to the province's tourism industry.

In 1973, for example, I am told that some 700,000 people visited resorts in the Haliburton Highlands and spent close to \$16 million which certainly, to me, emphasizes the impact of tourism on the region.

While I'm talking statistics, let me offer you a few more.

In terms of private cottage growth, Haliburton is one of the major growth areas in the province with an annual average growth rate of 5.5 per cent between 1966 and 1973. This is compared, I should point out, with a province-wide rate of some 3 1/2 per cent for the same period.

Haliburton, I'm sure you will agree, is capable of further growth. A major step towards providing the region with a voice on the tourism councils of the province was the inclusion of your chamber of commerce as a full member of the newly-formed Central Ontario Travel Association.

We see this as providing greater recognition for the area and as an assist in the job of promoting and developing the county and its attractions.

I have no doubt that as a result, Haliburton's voice will be heard as strongly as Muskoka and Great Pine Ridge, while a steady stream of local programs and projects will be developed, aimed at further increasing visitor traffic not only on a seasonal basis but also on a year-round basis.

Haliburton, of course, is included in our first regional tourism lure booklet which will be published in March. I should emphasize that this colourful information publication covers all seven member associations of C.O.T.A. It is a major undertaking of my ministry and is aimed at generating increased tourism interest in the Central Ontario region.

The book will be provided to the travelling public on request form my ministry though normal travel sources and through our overseas facilities. Quantities of the book will, of course, be available to C.O.T.A. member associations for their use in local promotions.

Which brings me to the theme of my visit to your county -- the future of industry and tourism in Ontario and how it could relate to Haliburton County.

My ministry is committed to the continuing success and development of the industry in the Province, consistent with the social, environmental and economic objectives of my government.

I believe that we have demonstrated this commitment to tourism in programs of financial assistance through development corporations in Ontario -- through the growth of major tourist attractions in the province and the ever expanding network of excellent highways and provincial parks.

We recognize that the private sector is the prime agency in tourism in the Province, with the public sector acting in a support role and that the fragmented nature of the industry makes difficult any co-ordinated effort at improvement from this private sector.

I can therefore see government being called upon to assist in identifying trends in tourism activities and to be ready to launch new programs and develop new types of opportunities.

Economists suggest there is likely to be increased demand for single-destination holidays to major urban areas and vacation resort areas.

There will obviously be a growing demand for group travel opportunities, package tours and vacation opportunities that do not involve extensive use of the automobile.

If the tourist industry, of which you are a key part, is to relate to these changing trends, it must respond to the demand patterns.

My ministry is now examining a number of proposals that relate to tourism development. They are aimed at sustaining visitor interest over a one or two week vacation period. Among them are "attraction clusters," which would provide a combination of attractions, events, accommodation and services at major urban and resort destinations.

Complementary transportation corridors or "scenic routes," designed with the tourist in mind, would be developed for several modes of travel with food, accommodation and travel information route.

Another suggestion being considered is large scale development of bus, rail and air tour packages.

A grading system for

tourism operations in the province is also under study. While the format has not yet been determined, I can assure you that it will not be on a massive scale. I also expect that it will function outside the ministry's responsibility.

Since these needs will require large amounts of venture capital, not usually available from private sources, it appears that the industry will increasingly turn to government for support.

My ministry has, in fact, prepared a tourism development strategy for the province, but while no commitments have yet been made, we are immediately initiating a tourism development plan.

The plan, which will be done on a regional as well as an areas basis, will identify preferential zones for tourist development and will establish the attraction corridors throughout Ontario.

You have my assurance

that the fullest consideration will be given to developmental opportunities associated with the Haliburton area.

At this stage, dates and times are matters of priority not yet to be established. Much will depend on identification of natural and cultural resources.

It is equally obvious that a great deal of data from tourism associations, the municipalities and local groups everywhere is needed in determining these priorities.

On that note, let me encourage you in Haliburton County to develop your own unique concepts and proposals relating to your tourism potential. In fact, my ministry planners would rather consider proposals that were initiated from within a community or region.

The tourism development branch, of course, is always ready to assist with ideas and suggestions that relate

to local events and attractions. They will be devoting much attention to evaluating the capacity of these activities to draw visitors.

Now let me say something about financing.

The aid to small business provided by my ministry, through the Eastern Ontario Development Corporation and the various facilities available through our offices here, in Peterborough and Orillia, are perhaps not as well known as they might be.

Let me touch briefly on tourism loans which are designed to strengthen and improve the tourism industry in the province.

These loans, with repayments tailored to meet the needs of the business, are available in areas where tourism is of major importance to the local economy -- and that certainly means Haliburton County!

Loan activity in your area over the past two years through the Ontario Deve-

lopment Corporation and more recently through the Eastern Ontario Development Corporation, was about \$137,000 in total. This represented three tourist development loans.

You should be aware that there are several different E.O.D.C. business incentive and term loans covering venture capital, the tourism industry, pollution control equipment, industrial mortgages and leasebacks as well as an export support program.

I would venture to suggest that small business, generally, in Haliburton County is not using the Corporation's facilities as it might. With the recent lifting of the \$75,000 ceiling on tourism loans, I might add, tourist loan rates are much more attractive than those for industrial loans.

As the Minister concerned with tourism, I am interested in both the upgrading and

of Haliburton Highlands

improvement of existing facilities and the development of attractions. These loan programs can assist in the development of complexes capable of handling conventions and sales meetings and which could attract major organizations to resort areas of our province out-of-season.

The Ministry of Industry and Tourism has had an excellent association with Haliburton County, and much of the progress is due to this inter-government co-operation.

A top level industrial development training conference for municipal officials, presented some three years ago, proved an important forward step.

More recently we carried through a highly successful one-day financial seminar here in conjunction with the Industrial Development Bank, Eastern Ontario Development Corporation and a

number of banks and trust companies.

My ministry is also equipped to organize training courses in the latest management techniques for resort operators, which affects the travelling public and ultimately the economy of the Haliburton region.

I am aware that the county has a large acreage of crown land.

The land acts as a magnet in attracting urban visitors who use it for canoeing, hiking, hunting, fishing, snowmobiling and cross country skiing in season - thus adding further to the prosperity of the region.

If there are some thoughts that its use should be more intensive I can assure you that I will be most happy to pass along your recommendations and suggestions to the Minister of Natural Resources, who, of course, is the minister responsible for

crown lands.

Now I would like to discuss the future in terms of industrial development.

Before doing so, however, I should acknowledge that not everyone who lives in the Haliburton region wants industry on his doorstep. I am sure there are those among you who moved here to escape the hustle and bustle of urban living.

On the other hand, obviously, some industry is required so that year-round jobs are available.

Haliburton County, all 1,658 square miles of it, with a population of just under 10,000, is not ideally geared to attract industry.

A company that employed 400 people would have difficulty finding personnel in Haliburton and that's the problem - people! If they attracted employees from other parts of Ontario, Haliburton would have to provide accommodation for them.

There's no reason why this couldn't be done in the Haliburton/Minden area but that's only part of the problem.

Besides a good labour market, industry has other requirements. It looks for proximity to major markets, for fast, economical transportation of finished goods to the marketplace. It often seeks local supplies of raw material.

While there are drawbacks to locating certain industries in resort regions, there are others of a less labour intense nature, that could be encouraged.

Haliburton's tourist-based nature does lend itself to certain light, resource-based

industries in which pollution - always a vital factor in a vacation area - would not interfere with the recreational use of land.

I should note that tourism and industry in the Muskoka area developed along similar lines.

I am talking about secondary industry, perhaps industry that uses lumber as a raw material might be economically feasible in Haliburton.

I say lumber because I know that the lumber and logging industry in Haliburton goes back well over 100 years. This is an area my ministry is investigating at the present time.

We have had an opportunity to look at the future of industry and tourism in Ontario and as it applies to Haliburton. Although brief, I trust it will have stimulated some questions which I will look forward to answering.

I have one final thought. I would not wish to leave this gathering this evening without sharing with you my concern about inflation.

I urge you to take an interest in this battle, which threatens the high standard of living we enjoy in Ontario.

Maple Lake news

With the Haliburton carnival in mind, the weather man has taken a stand and we have been having a mild spell. Some sunshine, and now cloudy with rain.

Mr and Mrs Ed Jesseman of Oakville, Ont visited with Carrie Morrison and friends at West Guilford also recently.

Miss Nora Morrison of West Guilford, spent a few happy days at Bethynia Farm.

We are sorry to hear Mrs Norman Finny is not so well these days also that Mrs Herbert Fountain is recuperating after having a nasty fall a few weeks back.

To any other sick and shutins we send get well greetings.

Congratulations to Mrs Edith LaRue who celebrated her 90th birthday last Sunday February 16. A birthday party was given her by her family in West Guilford Recreation Centre.

Several from Maple Lake attended this birthday party.

Mr and Mrs W Peck spent the weekend at Port Perry.

Mrs Margaret Cook is home again after having been in Minden with her niece and twins Mrs Murry Cooper.

Miss Brenda Cook celebrated her 18th birthday on Sunday. A family dinner was held with grandmothers attending.

Mr and Mrs Barnett are away to B.C.

The fishermen on Maple Lake, report that small fish are the majority of the catches. Keep up boys large ones are there. We hear Boskung have them also.

Several from our community took in the show,

Grizzly Adams on the weekend and found it an all-round family show.

Congratulations to Bill Scott M.P. for speaking out against the shows shown on C.B.C. Performance isn't the only one that could be pinpointed.

Mr Ed Barry is now at Robert Barrys at West Guilford.

Mr Napier Simpson is having his cottage redecorated, for future guests and he is also having underbrushing done on the Barry farm, which will add to the beauty of the old farm.

The men doing the logging for Browndale are trucking some very good logs.

The Secondary School Auditorium saw a large turnout to hear Mr Stanley of World Vision on Sunday night. Several of our community was in attendance.

Our community was shocked on Thursday morning to hear that one of our older residents had suffered a severe heart attack and after hospitalization had passed on to a greater reward. Our sympathy goes out to the children and grandchildren of the late Thomas Welch.

Haliburton Personals

Patients in the Red Cross Hospital in Haliburton this week were as follows: Mrs Doreen Findlay, Mrs Ellen Madill, Mrs Dellar Roberts, and Mr Holly Stevens all of Haliburton. Master Gregory Sisson, Mr Emilion Dion and Mrs Patricia Ackerblade and baby boy.

Obituary

George Harold Keefer

A well-known Haliburton Citizen George Harold Keefer passed away at Civic Hospital in Peterborough on Tuesday, February 11, 1975.

The late Mr Keefer who was in his 70th year was the beloved husband of the late Merretta Mintz and loving father of Ruth (Mrs Carl Alexander) of Cochrane and

Ross of Minden.

The deceased rested at the Funeral Chapel of John Welch and Son Ltd., at Minden where service was held on Friday, February 14 at 1:30 p.m.

Temporary interment was made at the Evergreen Cemetery Vault at Haliburton.

News from Minden

Correction from last week, it was Mrs Merle Pringle who won the Jackpot at Legion Bingo. Sorry about that.

Next Friday at 2 pm the ladies of various churches will join to have World Day of Prayer at the Hyland Crest Auditorium.

Bradley Robinson and David Trepanier of London were home for visits with their parents.

Mrs E Sinton of Winnipeg, Manitoba is presently visiting Mr and Mrs Walter Noice (her sister).

Nora Hogg and Gwen Cox are away enjoying a holiday in Hawaii.

The ladies of the Catholic League have tickets to sell on the raffle of a ten-speed bicycle with draw to be made in May.

Irene and Al Hodgins left last week to enjoy a Caribbean Cruise.

Sincere sympathy to the families and friends of the late Mrs Henry Bain and Tom Welch whose funerals were since last week.

Mr Ernie Elliott from Hensal enjoyed a visit with his sister Mrs Len Bates.

At the weekly Mini Card Party at the Parish Hall last Thursday afternoon, winners were for cribbage Vera Ward and Mary Maidens for bridge Emily Stinton and for euchre May Wright (on a cut) Christ Lazier and lone hands Bert Rowe.

Next Saturday night at 8 there will be a hockey battle between Larry McKenzies North York team and Minden Team Rotary at the Recreation Centre.

Miss Susan Shaw was the recipient of a shower of gifts prior to her wedding. This was at the Community Hall at Gelert.

Saturday guests with Mr and Mrs Angus Coulter included Mr and Mrs Glen Coulter and Kim of Ottawa and Mrs Leslie Coulter of Kirkfield.

Mr and Mrs Frances Walker and family spent the weekend in Stroud visiting Mr and Mrs Alvin Taylor and family.

The Community sends belated good wishes to these resident at Hyland Crest who celebrated birthdays in February Ellen Knight, Alice Fearrey, Mabel Lyons and Albert Quible.

West Guilford

Sincere sympathy is extended to the families, and friends of the late Thomas Welch and Emily Bain.

The World Day of Prayer, will be held at St. Andrew's Anglican Church, on March 7, at 1:30 p.m.

Get well wishes are sent to Mrs B. Bewley, who is in Civic Hospital, in Peterborough with a broken hip.

Mr and Mrs Morris Jones and Donna are staying with Mrs Ray Campbell, in Cobourg, so they can visit Mrs Bewley.

Mr Garry Barry, visited with Mr and Mrs Jack Barry on the weekend.

Mr and Mrs Bruce Johnston and Darrin of Uxbridge visited with Mrs Marion Johnston on the weekend.

Randall and Kim Barry, visited with their grandparents Mr and Mrs Jack Barry, on Sunday.

All their friends send good wishes to Mrs Ernie Snell at Civic Hospital and to Robert Kernohan at Ross Memorial, and to Mr Art Snelgrove at Oshawa General, and to Mrs Grace Simmons at the local hospital.

New arrival is a baby girl for Mr and Mrs Ron Murdock and first granddaughter for Mr and Mrs Clare Walker.

Sunday guests with the Milton Sears were Ron Strachan and family and Muriel Ewing and boys and Sandra Sears all of Toronto.

Visitors with Mr and Mrs Wes Stata on the weekend, were their son Dick of Oshawa and daughter Sharon of Toronto.

Congratulations to Mrs Therm Martin (Kay Barry's sister) and Mr Garry Barry, who won \$100.00, on the last lottery draw.

Halls Lake news

Lovely weather with lots of snow and sunshine continue to attract city people. Fish huts and snow machines are in evidence on the Lake. All the Lodges and Resorts around this lake seem to be well patronized over the weekends. More and more people are enjoying the winter season.

We are still hearing glowing reports of the recent Snowrama and how well it was organized. There were a few tired workers around but all felt it had been worthwhile and for such a good cause - Crippled Children's Fund.

Club 35 held its regular meeting last Monday evening with a good number turning out for the Euchre Party following. Plans are going ahead for the St. Patrick's Party on Saturday, March 15.

Mrs Audrey Wilkinson recently spent a few days with her niece in Bancroft.

Mrs Florence Poirier is home from Toronto for a few days.

Mrs Elsie Bursey recently entertained at a dinner party for heads of staff at Hyland Crest and their partners. Len and Doreen Stinson catered to a roast beef dinner at Mrs Bursey's comfortable and pleasant home on the North shore of this Lake.

The Martin brothers are doing a good job for St. Stephen's Church by putting the heat on each Sunday morning, making sure the snow is cleared away and general tidying up. It is good to have neighbours who watch over the church such as the Martins and the Harrisons have for some years.

Mr and Mrs Donald Hall

are spending a few days at their home here and enjoying the fresh air - Don loves to fish and although he hasn't had much luck so far, still enjoys being out on the Lake.

A lovely surprise for Bonnie Stinson on Saturday evening when Mrs Wm. Gartshore and the ladies of the Guild held a delightful miscellaneous shower. A pre-arranged dessert and coffee party at Miss Johnson's (next door) got the evening rolling. When the guests had all arrived a telephone call invited Bonnie and Marge's guests to come next door to view the beautiful newly decorated kitchen! Naturally she was amazed to see the roomful of ladies, the wedding bells, the tastefully decorated pink and white table scheme and the gold chair reserved for brides. The gifts were beautiful. She was dressed in a white tissue wedding gown. Her school chum, Norma Sedgewick, made a bouquet of the gorgeous bows from the gift parcels and she was asked to pose for pictures. The fancy sandwiches and cakes had been made by the Guild ladies and served in abundance. Guests mingled and enjoyed contests conducted by Ruby Johnson. Mr William Gartshore entertained the prospective groom who arrived (as another surprise) with his mother, Mrs Lorne Holliday, from Mount Forest just as the bride-to-be was opening her gifts. Other gentlemen who accompanied their wives were invited by Bill to watch the hockey game in his den and they too had an enjoyable time. Needless to say, Bonnie was delighted

with the whole affair and most grateful to all who participated and sent gifts even though they could not attend.

Among those on the not-so-well list are Ben and Ethel Harrison, Pete and Mabel Sawyer, Mrs Norman Finney, Mrs Helen Brown, all of whom we send get-well wishes to at this time. Special prayers for the wife of the Rev. Stanley B. Hills of Hamilton who own a home here at Hall's Lake, and who is seriously ill and having surgery, are being said. Glad to see Marge Watson is getting about again after a long session of illness. If there are others whom we have not mentioned we also

send our best wishes for an early recovery. Carole MacDonald is coming along nicely following surgery.

On Friday evening in Toronto at the Royal York Hotel the "Silver Jubilee" of Ontario Weekly Newspapers Association was held and awards and competitions judged for the Province. Miss Bonnie Stinson was called upon to accept the attractive plaque awarded for best Display Advertising in the 2001 to 3000 newspaper circulation class. She is Advertising Manager for the Mount Forest Confederate and responsible for this honour. A graduate of Haliburton Highlands Secondary School and Mohawk College in Hamilton, she had done well and we congratulate her on this award and accomplishment.

TAKEN FROM ANN LANDERS COLUMN IN THE TORONTO STAR - FEBRUARY 12, 1975

Dear Ann Landers: Last year at this time I was a secure, happy wife and mother. Today I sit here wondering if I can get together the money to pay my utility bill before they shut off the electricity and gas. The grocer has been wonderful about credit. He knows I must feed myself and the five-year-old twins.

Fourteen months ago I received a phone call from a hospital across town. My husband was in critical condition. He had suffered a heart attack while driving home. By the time I reached the hospital he was gone. I couldn't believe it. The man had never had a sick day.

The ironic part of this story is that less than one month before he died I asked him to buy some life insurance. He refused, saying the smart thing to do is to keep his money in a savings account where it will produce interest.

When he died, the bank gave me the \$2,200 he had in his savings account. If he had bought the life insurance policy I would have received \$50,000.

I loved my husband dearly but I can't help feeling resentful. After all, the children and I were his responsibility. He should have looked out for us. I hope you print this letter. Maybe somebody will learn from it. - **His Widow**

Dear Widow: Your husband made a mistake, which, unfortunately, you and the children are paying for. Put aside your resentment and accept the fact that he was not inconsiderate. He was ignorant.

Council of Anson, Hindon and Minden

The Fourth Meeting (Special) of the Council of the Townships of Anson, Hindon and Minden was held in the Council Chambers of the Municipal Building Friday, February 14, 1975 commencing at 7:30 p.m.

Reeve Reg Booth in the Chair. Present: Deputy Reeve Doug Pritchard; Councillors, A. Coneybeare, R. Gorrie, H. Johnson; Richard Parisotto, Clerk-Administrator; J. Earl Hewitt, Road Superintendent.

R. Gorrie-D. Pritchard That the minutes of the meeting of February 10th, 1975 be approved. Carried.

Letter was received from the Brady Lake Ratepayers' Association requesting various traffic signs on the road to Brady Lake. The applicant is to be advised that the erection of such signs throughout the Municipality would be financially prohibitive at this time.

It was decided that should an interim levy be made before April 1st, the 2% discount would be allowed on the Interim billing only. Further if the April 1st deadline could not be met, that the Interim Billing programme would be deferred until 1976.

A. Coneybeare-R. Gorrie That the Ministry of Housing be advised that the Municipality has no objections to the re-subdivision of Lots 1 and 2 in the J. F. Ross proposed subdivision as the lots will be under an SR Zoning. Carried.

R. Gorrie-D. Pritchard That the Program of proposed expenditures for highway improvements for the year 1975 be approved in the total amount of \$168,800.

Carried.

R. Gorrie-D. Pritchard That a Supplementary Expenditure of \$60,000.00 for Roads Expenditures be approved for Submission. Carried.

H. Johnson-A. Coneybeare That the tender for one 5-ton dump truck, in the amount of \$9,844.00 including taxes be accepted from Boice Motor Sales Limited, subject to the approval of the District Municipal Engineer. Carried.

R. Gorrie-A. Coneybeare That Policy Statements #1 to #2 inclusive be approved

con't on page 13

Minden W.I. meet

The Minden Women's Institute, held its regular meeting in the United Church Hall on Wednesday afternoon February 19. There were 28 ladies present and the Roll Call "A news item from another country", showed the ladies did their homework.

Mrs Lyman Cox took part in the meeting by reading the Minutes and Correspondence.

The Bus Trip on May 28 was discussed and it was decided by a majority that we take the trip to Ottawa even if it did cost \$12 for our fare. It was decided if anyone wanted to go on the trip they would have to contact Mrs A.S. Kernohan at 286 1648 or at Northland Surplus during the day. The money for the fare had to be

in to her by May 21, so that no one will have to make four or five phone calls.

The W.I. is holding a Card Party at the Parish Hall on March 3 at 8 p.m. The next meeting will be in the Parish Hall on March 19.

Mrs P. Clarke played several selections on the piano while Mrs P. Robinson and Mrs G. Kendall were adjusting the film which Mrs Robinson as Convenor of Education and Cultural Affairs had procured from the County Library System. This was a film on Ottawa, "Reflection of a Nation," and was very educational and it made us feel that we wished our trip was now, not in May. After the film Mrs Robinson thanked Mr Kendall for running the projector.

NOTICE TO TRUCKERS

HWY. 121 E. 3 MILES EAST OF HALIBURTON 457-1012

Council of Anson, Hinden and Minden

and the Policy Book be initiated as directed by Council. Carried.

The Clerk was directed to contact the Townships of Lutterworth and Snowdon relative to the fire protection agreements for 1975.

H. Johnson-R. Gorrie That Applications #75-5 and 75-6 under Section 636(A) of the Municipal Act be approved in the amount of \$15.42. Carried.

R. Gorrie-D. Pritchard That we accept the tender of Newell Welding for one tag-a-long trailer for 10 ton capacity in the amount of \$2,000.00. Carried.

R. Gorrie-H. Johnson That the Dedication Plaque for the Community Centre, as finally approved by Council be submitted for estimate of costs. Carried.

Sketches of the expansion of building facilities for a new library, museum and fire and ambulance quarters were reviewed. Each member of Council is to submit individual ideas and sketches for the next meeting.

The Clerk and Road Superintendent are to review the areas along the Gull River requiring gabion baskets for shoring purposes and report back to Council.

D. Pritchard-A. Coney-

beare That the account for Totten, Sims, Hubicki for engineering services rendered in conjunction with the Design of Watermain on Highway #35 be approved for payment in the amount of \$8,709.99. Carried.

R. Gorrie-A. Coneybeare Whereas the Province of Ontario has undertaken to return assessment at market value;

Whereas it is accepted that the present equalized assessment is inequitable and has been such for more than a decade;

Whereas this inequity has cost the taxpayers of Anson, Hindon and Minden and certain other Municipalities in the County of Haliburton, hundreds of Thousands of dollars during the past ten years;

Whereas the Regional Assessment Office tabled before County Council, in November, 1974, market value assessment up-dated to 1972;

Therefore the Municipal Council of the Corporation of the Townships of Anson, Hindon and Minden strongly urges the Members of County Council to adopt the market value assessments for the years 1975 and 1976 to provide a fairer and more

honest apportionment of County taxes for all persons in the County of Haliburton; Further that the County Council and each Municipal Council strongly petition the Members of the Haliburton County Board of Education, the Minister of Treasury, Economics and Inter-Governmental Affairs and the Minister of Education to adopt and promote this market value assessment for the years 1975 and 1976 to provide a fair and honest apportionment of Education taxes for all persons in the County of Haliburton. Carried.

D. Pritchard-H. Johnson That By-law 75-8 having been read a first time, be considered as read a second and third time and passed.

Being a by-law to authorize the removal of vehicles parked or standing and impeding traffic or the removal of snow on a road or highway. Carried.

A. Coneybeare-D. Pritchard That By-law 75-9 having been a read a first

time, be considered as read second and third time and passed.

Being a by-law to amend By-law 14-67 to re-zone certain lands in Part of Lot 14, Concession 2, Township of Minden from Rural to Commercial. Carried.

Gems of Truth

CORRECT TEACHING

That the Lord Jesus was a remarkable teacher very few people deny. Even those who see nothing more about Him than that His teaching was superb, admit that He has no equal among men as a teacher. The question therefore arises as to where He got such outstanding ability and clarity to discuss any subject that came to public view. There is no evidence that He had attended any rabbinical school or sat at the feet of any doctor of the Law, yet He baffled the temple teachers at the age of twelve with His amazing answers and understanding.

During the silent years of waiting for the correct time to begin His earthly ministry, there is no word given about the activities of the Lord Jesus except that He worked with His hands as a carpenter. The people of His home town, Nazareth, knew Him only as such. (Luke 4:22). However, the Carpenter was well aware of the day and hour when the Father had decreed to reveal His love and compassion to a sin-sick humanity. Not until Herod had imprisoned and therefore silenced the announcer of the Son, did Jesus make any attempt to begin His teaching and show forth His true credentials as spokesman for Jehovah God.

The manner of Christ's teaching is exceedingly important and one should note carefully what He taught. The manner in which He taught is as much a revelation as to who He really was, as what He taught. The Eternal Son alone could teach what and how as He taught. The question always remains to be answered by His critics as to how and what He taught.

That there was authority behind every word and deed

of this great Teacher is very evident. He was a dynamic teacher and His message throbbed with life and spiritual energy. It was altogether different than the best teacher of His day. When He said something, truth rang a clear bell and His actions confirmed what He said. His words were not built around what men taught and on tradition, but on revelation from Jehovah Himself. Jesus charged the scribes with having "fenced round" the law as taught by the scribes. (Matthew 15:2). They simply repeated what others had thought and taught, it was purely second-hand teaching. That many who would be teachers of God's Word do the same today is no secret. Should all the books used to present the thinking of other men be laid aside, and the Bible alone adhered to, there would be fewer souls led down the wrong road. This does not mean that all books are evil, far from it, but nevertheless the Bible as Jesus taught it is the true message and supreme.

The Lord Jesus was no respecter of persons and never compromised the truth for fear of hurting or offending anyone. He was free from deceit and hypocrisy, not only in His manner of life, but also in His teaching. He always taught the truth and dealt honestly with the souls of men. In all honesty He taught more about the Destiny of Everlasting Darkness than He did about the Bliss of Heaven or an earthly Kingdom. His whole teaching revolves around

the future which every person must face in a hereafter.

The Great Teacher was also careful to the setting of Scriptural passages in His teaching. He plainly distinguished between His first coming and His second Advent, between the Day of Grace and the Day of Vengeance. (Luke 4:16 - 19) (Isaiah 61: 1-2).

In all His teaching the Lord Jesus spoke plainly and did not use confusing terminology. Whoever wanted to understand could easily grasp His no uncertain sound in proclaiming truth. (John 5:11-27) (Luke 13: 22-25) Matthew 12: 38-41)

FOOD FOR THOUGHT: He who is wise is humble enough to listen to the Master Teacher.

Bible Quiz answer

Last weeks question was, "Who, while riding a mule got his hair caught in an Oak tree, and was killed as he hung there? answer, Absalom, 2 Samuel 18:9, 14.

QUESTION: "What is the longest word in the Bible?" answer next week.

World Vision night in Haliburton

On Sunday February 16 approximately 200 people gathered at the Haliburton Highlands Secondary School for the World Vision Night sponsored by the local chapter of the Evangelical Fellowship of Canada.

World Vision is a large Christian Relief Organization working particularly in the countries of South East Asia.

Mr Ian Stanley showed a film on World Vision's work in Cambodia. He also gave a challenging message regarding our response to pressing world needs.

An offering of \$315.48 was received to aid in the work of World Vision.

This year's World Day of Prayer

will be held at

ST. ANTHONYS ROMAN CATHOLIC CHURCH

Haliburton

March 7th at 2 p.m.

Everyone is welcome to attend.
Next year "World Day of Prayer" will be held at Lakeside Baptiste Church.

TOWNSHIP OF GLAMORGAN NOTICE

As of February 5th, 1975, Council has amended certain Sections of the By-law to Control the Running at Large of Dogs to provide for the levying of fines as follows:

1ST OFFENCE - \$10.00 + COSTS

2ND OFFENCE - \$20.00 + COSTS

3RD AND EACH

SUCCESSIVE OFFENCE - \$50.00 + COSTS

The definition of dogs running at large has also been amended to comply with Bill 143 and now reads as follows: "For the purposes of this By-law a dog shall be deemed to be running at large when found in any place other than the premises of the owner and not under the control of any person."

TAKE NOTICE THAT THIS REVISED BY-LAW WILL BE ENFORCED

Elva V. Bates, A.M.C.T.
Clerk-Treasurer.

Moved by G. Hicks, seconded J. Francis That the minutes of the January 13th meeting be adopted as read.

Moved by J. Francis seconded G. Hicks That we apply to the Ministry of Transportation & Communications for supplementary road subsidy in the amount of \$10,000.00 for road construction for the year 1975.

Moved by D. Smedmor seconded R. Graham That Road Voucher #1 in the amount of \$3,679.32 be approved for payment.

Moved by J. Francis seconded G. Hicks That \$25.00 be donated to the Minden Winter Carnival Committee and \$25.00 be donated to the Kinmount Rink Committee.

Moved by G. Smedmor seconded G. Hicks That under Section 636(a) of the Municipal Act the following properties have assessment reductions made for the current year - 14026000200, 14030000400, 13018000200.

Moved by J. Francis seconded G. Hicks With reference to By-Law 13/74, section 3, it is hereby resolved that effective January 1, 1975, and until further notice of an increase, the charge for each visit by a registered nurse of the Victorian Order of Nurses will be \$9.50 per visit.

Moved by D. Smedmor, seconded J. Francis That the General Accounts in the amount of \$1,140.21 and welfare in the amount of \$168.00 be approved for

payment.

By-Law 4/75 was read a first, second and third times, passed, signed and the Corporate Seal affixed, being a By-Law to coise the Gelert-Irondale Road from 2:00 p.m. to 6:00 p.m. on February 8, 1975 and from 8:00 a.m. to 11:00 a.m. on February 9, 1975 and the Salerno Lake Road from Highway 503 to the Glamorgan Township boundary from 3:00 p.m. to 6:00 p.m. on February 8, 1975 and from 8:00 a.m. to 11:00 a.m. on February 9, 1975.

Moved by D. Smedmor seconded R. Graham That this meeting be adjourned until the next regular meeting of Council on March 5th, 1975 at 7:30 p.m. unless called sooner by the Reeve.

Death Notices

BURNS: Robert Edward at Haliburton Lake on Thursday, February 20, 1975. Robert Burns beloved husband of Kathleen, loving father of Robert and James, dear grandfather of Kimberly. A service was held on Monday at Toronto followed by interment at Resthaven Memorial Gardens, Toronto.

Notice

TO WHOM IT MAY CONCERN

I will not be responsible for any debts incurred in the name of Yvonne Emma Shaw on or after this date forward. Dated February 27, 1975. Raymond D. Shaw.

In Memoriam

HICKS - Orville. Fond memories of Dad and Grampa.

Quietly remembered the past two years With silent thoughts and unshed tears.

Life goes on we know that's true

But it's not quite the same since we lost you.

Ruth - Murray, Dwain, Arlene and Jim.

Thank-You

A special thank you to Dr. Clark, Dr. Munroe of the Medical Centre of Peterborough, the Catholic Sisters who visited me, and all the medical personnel, staff and wonderful nurses who took care of me while I was a patient in St. Josephs Hospital in Peterborough during my recent major operation.

I would like to thank Dr. Good and Dr. Keever of Haliburton also all my friends who kept in touch with me with get well cards, telephone calls, floral tributes, letters of encouragement and all the people who took the time to visit me from Haliburton and Lindsay. A special thank you to the Haliburton Ambulance. Rufus Anderson.

I was greatly moved last Monday evening February 17th, during the Father and Sons banquet put on by the Haliburton Scout Committee held at the Canadian Legion Hall, Haliburton, for the expressions of friendship and gratitude afforded me on my recent retirement as active Assistant Cubmaster.

The beautiful Bronze Statue and lapel pin will always be reminders of our many happy gatherings and outing spent with the Cubs Scouts and Leaders during our associations together.

A special thank you to my "Buddy" Lenny Salvatori for his kind remarks in making this presentation.

Thank you all. Walter Webb.

My sincere thanks to my relatives, neighbours and friends for all the beautiful cards, many telephone calls and visits which I have received.

Special thanks to Dr. Good, Dr. Johnston and the Haliburton Ambulance boys, Wayne, Cecil, Gerry and John for their prompt and courteous assistance at the time of my recent accident. Jessie Webb.

Notice

A wedding dance will be held at the West Guilford Community Centre on March 1st., in honour of Larry LaPorte and Sherry Skitch whose wedding takes place February 22, 1975. Everyone welcome.

In Memoriam

ORR - In loving memory of our dear father, James Orr, who passed away January 21, 1940 and our dear Mother, Clara Orr, who died February 27, 1967.

As we journey towards life's sunset,
Mourning our parents who went before,
Faith keeps saying "You'll be with them,
When you reach the other shore.
Ever remembered by the family.

Coming Events

Ladies Auxiliary to the Haliburton Red Cross Hospital meeting, Wednesday, March 5 at 2:00 p.m. in the Hospital Board Room. Everyone welcome - bring a friend.

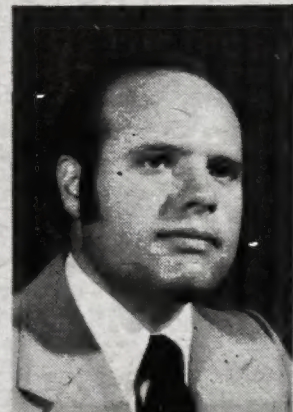

In Memoriam

HICKS - Orville Maurice - In loving memory of a dear husband, who passed away March 1, 1973.

Things I feel most deeply are the hardest things to say,
Dear Orv, I loved you in a very special way,
If I could have one lifetime wish
One dream that could come true,
I'd pray to God with all my heart,
For yesterday, and you.
Sadly missed by wife May.

Thank-You

The family of the late Wallace (Buster) McKelvey, wish to thank their relatives, friends and neighbours for their many acts of kindness, beautiful floral tributes and expressions of sympathy shown us in the sad loss of a loving husband, father and grandfather.

Special thanks to John Welch and Son Funeral Home, Reverend Bushel, Eunice and Truman Wright for the use of their house, and the lovely lunch served by the relatives and friends after the service. To all we are deeply grateful. Roean and family.

To our many friends for their cards, letters, and expressions of sympathy during the illness and our sad loss of a husband, father and grandfather. With a special thank you to Creighton Feir for his tribute in the Echo of February 6, 1975, to A. George Brooks. Grace, Grant, Reg & Evelyn Brooks and family.

Haliburton County Council

County Council of Haliburton met in the Council Chambers at 10:00 a.m., Wednesday, February 19, 1975, for the regular February meeting, all members being in attendance with the exception of G. Agnew and K. Tallman absent through illness.

Warden Reginald Booth opened the session, wearing the refurbished Chain of Office now mounted on a background of Haliburton Tartan.

That the minutes of the January 21st and 22nd Session of County Council be approved as circulated. Carried.

The Finance Report was presented by Chairman Jerry Howarth who confirmed that all accounts had been perused and found in order.

That payment of accounts be approved in the amount of \$73,340.42, representing cheques numbered 1 to 71 inclusive. Carried.

From the correspondence as circulated, on recommendation of the Correspondence Committee the Clerk read the following letters:

Hon. John Rhodes, Minister Transportation and Communications: Design of Intersection, Highways 35 and 121 North. Ministry Culture and Recreation: Establishment of Ontario Lottery Corporation and Provincial Lottery for physical fitness, sports, recreational and cultural programmes.

Ministry of Industry and Tourism: describing services provided. County of Northumberland and County of Renfrew:

requested revision in legislation for administration procedure of drugs in Homes for the Aged.

Regional Municipality of Durham: recommending Municipal and School elections date change to September or October. (The majority of Council agreed these dates were too early)

That the Clerk write each municipality asking for recommendations as to Municipal election dates. Carried.

Townships of Anson, Hindon and Minden: Inequitable Assessment - urging adoption of market value assessments for 1975 and 1976.

Townships of Anson, Hindon and Minden: Operation of Information Booth with County to retain the property.

Kawartha Haliburton Children's Aid Society: Budget 1975.

C.W. Sherlock, Interim Board of Administrators, Cardiff Townsite: Proposed Health Centre

J.A. McQuarrie, Q.C. on behalf of Mr Lewis Little - written objection to proposed by-law assuming Road Allowance Elephant Lake Road.

St. John Ambulance: Request for support Haliburton Kawartha Pine Ridge District Health Unit: 1975 Budget.

That the Budget Committee be asked to study the annual proposal of the Children's Aid Society and make any recommendations they find. Carried.

That the report of the Correspondence Committee

be accepted as presented. Carried.

That By-law 941, having been read a first time, be considered read a second and third time, passed, signed, and the Corporate Seal attached, being a by-law to stop up, close and sell that part of Bondfield Street in part of Lot 29, Concession A of the Township of Sherborne in the Provisional County of Haliburton. Carried.

Property Chairman Lloyd Walker presented a financial report on property expenditures for 1974.

Clerk-Treasurer Winifred Lahay reported on financial operations of the Land Division Committee and Centennial Committee for the year 1974.

Mr Lloyd Coneybeare reported on programme data being collated for the Natural Resources Committee.

Arrangements for the invitation Economic Development Dinner on February 21st were reported by Mr Larry Perrott, Secretary-Manager of the Chamber of Commerce. Presentation of briefs to the Honourable Claude Bennett at this function will be received, and it was considered advantageous to present written questions from guests.

County Council members recessed for luncheon at 11:50 a.m. and reassembled at 2:00 p.m.

Mrs Elsie Bursey, Administrator of Hyland Crest Senior Citizens' Home, explained procedures for

Con't on page 20

Haliburton County Council

administration of drugs under the new government legislation, providing a hardship for small Homes for the Aged.

That the Council of the County of Haliburton concur with the resolution as proposed by the County of Northumberland and in addition ask M.L.A. R. Glen Hodgson to intercede on our behalf to bring about action to alleviate the problems of distribution of drugs at Hyland Crest Senior Citizens' Home. Carried.

Mr C.W. Sherlock presented a brief to Council on the proposed services of a Health Centre at Cardiff Townsite to serve the Eastern section of the County and provide rented on site facilities for the use of visiting doctors with prime financing from neighbouring municipalities.

Be it resolved that the proposal for financial assistance for a health care centre in Cardiff be referred to the Budget Committee. Carried.

Mr Tom Nunn, member of

Stanhope Airport Committee reported on finances and budget of the Stanhope Airport and outlined its functions as an asset to tourism expansion and economic development.

That the report of the Haliburton Highland Stanhope Airport Committee be submitted to the Budget Committee for further consideration. Carried.

Mr George Hardy, President of the Haliburton Highlands Chamber of Commerce, presented their 1975 Budget, copies of which had been circulated, and reported on activities. Mr Hardy was asked to report further on promotion for economic development.

Mrs Heather Gardiner, Librarian for the Haliburton County Public Library, explained in detail items included in their 1975 budget as presented and described the scope of responsibility of each member of staff.

That the budget proposal by the County Library

Board be forwarded to the Budget Committee for consideration and necessary action. Carried.

Be it resolved that we advance \$4,000 to the County Library Committee until the Budget Committee finalizes the Budget. Carried.

The proposed County Road Budget as developed by the Road Committee was circulated to all members of Council, and explained in detail by County Engineer Jack Cox, with reasons for each project and implications of accepting this budget to obtain maximum subsidy.

That we receive the 1975 Roads Department Proposed Budget, and submit it to the Budget Committee for their approval. Carried.

That By-law No. 942, having been read a first time, be reconsidered read a second and third time, passed, signed and the Corporate Seal attached, being a by-law for the purpose of authorizing expropriation of property for road widening purposes on County Roads. Carried.

That Whereas By-law 929 was read a first and second time on the 18th day of December 1974, and Whereas notice of By-law 929 was published for four consecutive weeks from January 2nd to January 23rd 1975 inclusive in accordance with R.S.O. 1970, C.284, S.446; and Whereas no objections were made in person; Therefore Be it Resolved That By-law 929, having been read a third time, be passed, signed and the

Corporate Seal attached, being a by-law to obtain registered title to the road allowance for County Road #10 as shown on Plan 19R609. Carried.

That the requests for County Council funds from the various committees and organizations as well as the assessment apportionment be referred to the budget committee for presentation in March council.

The February meeting of county Council was adjourned at 5:30 p.m.
